# JAYNA GYRO EMPLOYEE TIP OUT ACKNOWLEDGEMENT

WEEK OF 2025-09-29 - 2025-10-05

As an employee, it is important to ensure accuracy and transparency in matters relating to your working hours, compensation, and breaks. Please carefully review the following statements:

I have had the opportunity to review my hours worked each day and have been provided with a copy of this information if requested. The tip amount in cash I was given is accurate and complete.

All details entered into the timekeeping system and reflected on my paycheck, including tip amounts and entries for breaks, meal periods, and overtime, are accurate and correct to the best of my knowledge.

In the event that any information is found to be incorrect or if I have not been provided the opportunity to take a meal or rest break, I will document such discrepancies in the "Corrections" column below.

I understand that it is not mandatory to note missed meal breaks if I worked less than six hours OR over six hours and have voluntarily signed a meal break waiver.

I am aware that I am not required to document missed breaks if they were made available to me but I chose not to take them.
